

ADDRESSES BASIC NEEDS

Affordable housing is available to community residents

- Figs. 2.1-2.3. Percentage of people age 60+ who want to remain in their current residence and are confident they will be able to afford to do so

Housing is modified to accommodate mobility and safety

- Figs. 3.1-3.4. Percentage of householders age 60+ in housing units with home modification needs

The neighborhood is livable and safe

- Figs. 4.1-4.3. Percentage of people age 60+ who feel safe/unsafe in their neighborhood
- Figs. 5.1-5.9. Percentage of people age 60+ who report few/multiple problems in the neighborhood
- Figs. 6.1-6.3. Percentage of people age 60+ who are satisfied with the neighborhood as a place to live

People have enough to eat

- Fig. 7.1. Percentage of people age 60+ who report cutting the size of or skipping meals due to lack of money

Assistance services are available and residents know how to access them

- Figs. 8.1-8.3. Percentage of people age 60+ who do not know whom to call if they need information about services in their community
- Figs. 9.1-9.3. Percentage of people age 60+ who are aware/unaware of selected services in their community
- Figs. 10.1-10.5. Percentage of people age 60+ with adequate assistance in ADL and/or IADL activities

Figure 2.1, Indiana[§]

Percentage of people age 60+ who want to remain in their current residence and are confident they will be able to afford to do so

We asked respondents whether they agree or disagree with the following statement: *"What I'd really like to do is stay in my current residence for as long as possible."*

For people who answered "agree" we calculated the percentage of adults age 60+ who were very confident/not very confident that they will be able to afford to live in their current residence for as long as they would like.

Note: Percentages may not add up to 100% due to rounding and/or missing information.

*Agree includes those who said Strongly agree or Somewhat agree.

**Not Very Confident includes those who said Somewhat confident, Not too confident, Not confident at all, Don't know, or Refused.

[§] Excludes Area 2 (Elkhart, Kosciusko, LaPorte, Marshall & St. Joseph Counties) which was surveyed in 2006.

Figure 2.2, Indiana[§]

Percentage of people age 60+ who want to remain in their current residence and are confident they will be able to afford to do so,* by demographics

Note: Percentages may not add up to 100% due to rounding and/or missing information.

Unweighted N=4,272

Weighted N=918,078

*Base includes those who want to remain in their current residence for as long as possible.

**Not Very Confident includes those who said Somewhat confident, Not too confident, Not confident at all, Don't know, or Refused.

[§] Excludes Area 2 (Elkhart, Kosciusko, LaPorte, Marshall & St. Joseph Counties) which was surveyed in 2006.

Figure 2.3, Indiana[§]

Figure 13.1, Indiana[§]

Percentage of people age 60+ whose physical or mental health interfered with their activities in the past month, among those who had one or more unhealthy days*

*The number of “unhealthy” days is based on a summary index from the following two questions: 1. “Now, thinking about your physical health, which includes physical illness and injury, for how many days during the past 30 days was your physical health not good?” and 2. “Now, thinking about your mental health, which includes stress, depression, and problems with emotions, for how many days during the past 30 days was your mental health not good?”

*People who had one or more “unhealthy” days were asked “During the past 30 days, for how many days did poor physical or mental health keep you from doing your usual activities, such as self-care, work, or recreation?”

Note: Percentages may not add up to 100% due to rounding and/or missing information.

‡ This percentage is based on fewer than 20 respondents (Unweighted N<20) and should be interpreted with caution.

§ Excludes Area 2 (Elkhart, Kosciusko, LaPorte, Marshall & St. Joseph Counties) which was surveyed in 2006.
